Dear Mr. Scali:

I want to express our appreciation for a very engaging and stimulating session with the Advanced Intelligence Seminar. The class appreciated particularly the candor with which you answered its questions on topics such as the viability of an "official secret's act." It is a privilege to have the opportunity to learn from a journalist who is respected and admired for his insight and breadth of experience.

Again, thank you for your valuable contribution to the success of the Advanced Intelligence Seminar. We hope we can continue to call upon you for future runnings.

Sincerely,

STAT
